## IMPORTANT INFORMATION FOR POULTRY EXHIBITORS

### Regulations (WAC 16-59) - adopted January 3, 2008

Birds that have been tested at other shows up to 90 days prior to the Washington State Fair and have a certificate of proof will not have to be tested again.

If birds are tested at the Washington State Fair they will be issued a certificate good for 90 days. All birds except waterfowl, pigeons and doves are required to be tested.

14. Because of the season of the year when the show is held, it will be judged by comparison. The decision of the judges shall be final.
15. Exhibitors will not be allowed to display any premiums on their coops. This rule is necessary so that the public will not be misled by awards from other shows.

17. The judge will not award a first prize on any specimen unless it is worthy.
18. The Washington State Fair reserves the right to place two females in one coop in case entries are in excess of accommodations.
19. No special privileges, such as giving one bird or one pen larger coop space than other birds or pens of the same variety, will be granted. The Washington State Fair reserves the right of prominently cooping or featuring any bird of special importance to the show.
20. All young birds exhibited must be 16 weeks of age or older, or will be banned from competition.

21. Birds shown as single specimens will not be eligible to form a part of a trio/pen.
22. Exhibitors are not permitted to talk to judges while they are judging.
23. **NOTE:** Electrical appliances which draw more than 200 watts, used for personal convenience of exhibitors (kettles, coffee pots, space heaters, air conditioners, hot plates, etc.) are not allowed without permission. A costly power failure can result from overloading circuits.

24. **Eating in the Barns vs. E. coli O157:H7 – Exhibitor Cooperation Needed.**

Our barns will not only have signage reminding Fair guests to “Wash your hands upon leaving any livestock area,” but also “Please refrain from eating in livestock areas.”

The State Health Department has asked the Fair to request that our livestock exhibitors set an example for Fair guests and refrain from eating in most areas of the barns. In order to accommodate the Health Department’s request as well as address our exhibitor’s needs, we have set aside an area, screened from public view, in the south end of the dairy barn where exhibitors may eat.

25. Please remove all your items from the barn after set up. Carriers, bags, brushes, etc. are not allowed to be left in the barn.

# POULTRY SHOW - SERAMA TABLE SHOW DEPARTMENT

## SERAMA TABLE SHOW RULES

**YOU MUST ENTER OPEN SHOW TO ENTER TABLE SHOW**

### JUDGE

TBA

#### DIVISION 3086 - SERAMA TABLE SHOW

##### Class

32 AOC

The Table Top Show on Friday, Sept. 8, 2017, 4 pm will be held under SCNA guidelines.

Please enter Serama in their breed under Single Comb Clean Legged Class.

White Serama should be entered as "White;" these birds should have yellow shanks and red ear lobes as

required by the standard. Enter all other colors as AOV (any other variety).

State if the bird is silkied or frizzled and if it is being exhibited by a youth or in the open category.

Accustom your bird to posing on a table in front of a judge. Remember that character as well as type are being judge. **The handler will carry the bird to the table in front of the judge, pose it, and step back while the judge examines the bird.**

Birds may be weighed to see if they are within standard weight if they are called to compete at higher levels.

All birds entered in the Table Top Show, **must** also be entered in Open Class.

This will be a fun event and a unique opportunity to show off your Serama. We hope no one will be afraid to try this due to inexperience. Most of us will be doing this for the first time.

PREMIUMS – Will be awarded as per Prize Schedule.
