GENERAL CONDITIONS OF ENTRY

1. This exhibition will follow the recommended procedures of PSA for special recognition.
2. The submission of entries implies acceptance of all conditions of entry of Northwest International Exhibition of Photography.

3. The exhibition is open to anyone; however, an entry may be rejected when the sponsoring organization or its agent, in its reasonable discretion, believes the entry does not conform to the exhibition rules and conditions.
4. An entrant's images will not be presented to the judges consecutively. An entrant's four images will be distributed throughout four rounds of judging in that section. Distribution of images shall be in the same round order as submitted by the entrant.
5. **Original Image Statement** – Entries must originate as photographs (image-captures of objects via light sensitivity) made by the entrant on photographic emulsion or acquired digitally. By virtue of submitting an entry, the entrant certifies the work as his own (aliases are not permitted). The entrant permits the sponsors to reproduce all or part of the entered material free of charge for publication and/or display in media related to the exhibition. This may include low resolution posting on a website. Note: Entrants who indicate that their images may not be reproduced or used "will not be eligible for awards" or inclusion in audio-visuals of the exhibition "and could be subjected to disqualification" by the exhibition sponsors.
6. The exhibition assumes no liability for any misuse of copyright. Images may be altered, either digitally or by the maker. Artwork or computer graphics **created by the entrant** may be incorporated if the photographic content predominates subject to Nature, Photo Travel and Photojournalism divisional restrictions. All final work must be on photographic film, or on electronic file, or on photographic or electronic print material, mounting excepted.
7. No title or identification of the maker shall be visible anywhere on the face of an image, print mat or mount entered in a PSA Recognized exhibition.
8. Each image must have a unique title. Once an image has been accepted in a PSA Recognized exhibition, that same image, or a like "in camera" or a "reproduction" duplicate of that image: a.) May not be re-entered in any section of the same Division Star Ratings class in that exhibition regardless of media, format, or title. b.) **May not** be re-titled for entry in any other PSA recognized exhibition. Words such as "Untitled" and "No Title" are not acceptable as part or all of an image's title, nor are camera capture filenames.
9. An image may be entered in only one section where acceptances of that image in multiple sections would be eligible for the same star path.
10. **BREACH OF CONDITIONS OF ENTRY:**
If the exhibition determines before, during or after the judging that an entrant submitted entries where one or more images fail to comply with these Conditions of entry, including the stated definition, the exhibition reserves the right and discretion to delete the entry from the exhibition and void any or all acceptances or awards. Fees may be forfeited in these circumstances.

In order to ensure that images comply with the Conditions of Entry and definitions, the exhibition may carry out checks on the images to make sure that:

- a) the images are the original work of the entrant and;
- b) the images comply with the rules and definitions as set out in these Conditions of Entry.

This may involve asking the entrant to provide originally captured image(s) which may be considered in breach of these Conditions of Entry, and declined. Such entries may be referred to PSA for further investigation of possible ethics violation. PSA retains the right to investigate in any way all complaints/ suspicions of breaches of entry conditions, impose sanctions if deemed necessary, include the entrant's name on the list of sanctions provided to exhibitions, and share such investigations with FIAP. Entrants automatically agree to these terms by act of entering the exhibition.

11. The title on the backs of the prints must match the titles on the entry Form.
12. Only pressure sensitive (self-adhesive) labels may be used on the backs of unmounted prints.
13. The entrant must sign the entry submittal form in the space provided to verify authorization for the exhibition to destroy the exhibitor's prints in lieu of returning them. Otherwise the full entry fee shall apply if the exhibition does have separate fees for return of prints and non-return of prints.
14. **Award-winning images will be included in the exhibition catalog posted on the Fair's website.**
15. Voting will be by an electronic machine. Scores will be reported to each exhibitor in their report letter.
16. Our judging procedure provides that any print or digital image which any one judge feels should be in the exhibition will be accepted. In this way we hope to make each judge's experience and judgment a representative part of the show.
17. Prints and digital (PID) images accepted will be eligible for listing for PSA's *Who's Who* and Star Rating. All acceptance eligibility shall be in accordance with the Star Ratings or the Galaxy/Diamond Ratings requirements as appropriate. (An image that was accepted in a prior CPID or EID recognized section of this exhibition may not be entered in a PID recognized Color section of this exhibition.)
18. Notification letters will be mailed within 10 business days following the last day of judging. **RESULTS WILL NOT BE EMAILED.** No digital image or print may win more than one award.
19. Some accepted images may not be displayed.
20. There are no restrictions as to subject matter except as outlined in the rules and definitions of specific sections, or specified by law in the country where the exhibition is held.
21. All prints entered in incorrect divisions as defined in the General Conditions of Entry will remain in that division, but will be disqualified by receiving a non-acceptance score.

22. Return/Forwarding of Prints – When you register your entries online please indicate if you wish to have your prints returned or forwarded after the Fair. If you want them returned by mail or forwarded to another exhibition there will be a \$10 shipping/handling fee per exhibitor. There is no additional fee if you wish to pick them up in person at the Photo Salon on the 2nd floor of the Pavilion. If you do not wish to have your prints returned or forwarded, they will be destroyed. Entries will be forwarded to only one other United States or Canadian exhibition. The forward request must be indicated on the online entry registration form. A forwarding label must be enclosed or we will not forward.

If you do NOT wish to have your prints returned: When making your online entry registration, at “Non-Return Prints” please select the option “Yes, NWIEP is authorized to destroy my print.”

If an exhibitor does not pay for return shipment of prints and does not select the authorization to destroy statement when making his/her entries, the NWIEP will hold the print for 90 days following the exhibition, after which it will be destroyed.

The entrant must sign the entry submittal form in the space provided to verify authorization for the exhibition to destroy the exhibitor’s prints in lieu of returning them otherwise the full entry fee shall apply if the exhibition does have separate fees for return of prints and non-return of prints.

23. Digital images must be submitted online via the Fair’s Photo Salon [Dropbox File Request](#) (open 4/23 to 7/28) or on a disc or USB drive and discs/ USB drives will not be returned. Do NOT send digital images via email. If sent via email they will not be accepted or judged.

Flush Mounting Your Prints

For mounting prints please use regular picture mat board, no thicker than 1/8", such as that available at art and craft supply stores. Thick mounting board or foam core board is **NOT** acceptable.

Prints entered in our exhibition require **FLUSH MOUNTING**. Flush mounting means that the mounting board is the exact same size as the photographic print.

Example of CORRECT mounting:

Regardless of the size print that is entered, the mounting board and the print must be the same dimensions. So, if the print measures 8" x 11¼" it must be mounted on a board that measures 8" x 11¼".

Mounting must **not** exceed print dimensions and prints must **not** have an overlying mat.

Example of INCORRECT mounting that is NOT ACCEPTABLE:

The example above would be disqualified. The mount board is larger than the print and is not considered a "flush mount."
